

DRT2000 SERIES

MERIT SERIES DIRECT VENT GAS FIREPLACES

Superior
FIREPLACES

Our name is our promise.

TRADITIONAL

The DRT2000 Series offers excellent value without compromising on quality or design. These fireplaces offer an array of standard features, increased performance and state of the art technology to ensure many years of beauty and warmth.

FEATURES

- Available in 33", 35", 40" and 45" clean-faced models
- Dedicated top or rear flue configuration (45" model is a combo top/rear)
- Millivolt or electronic ignition with seamless battery backup to provide continued operation in the event of a power outage (IPI/CPI switch standard)
- Random, dancing yellow flames
- Outstanding heating efficiency for increased comfort and lower operating costs
- Standard tempered glass and 2015 ANSI barrier compliant
- Detailed ceramic fiber "aged oak" log set
- Black painted interior
- Durable textured powder coat finish
- Optional blower and remote controls available for all models
- 20 year limited warranty

INTERIOR

(Standard)

Black Painted Interior

*Intermittent ignition systems. Millivolt/Electronic.

**Annual Fuel Utilization Efficiency (AFUE) is the recognized U.S. rating system for the total efficiency of heating products.

IMPORTANT NOTES:

As with any fireplace, this appliance is extremely hot during operation. Read and understand all operating instructions before using this appliance. For further information, consult your dealer.

Local conditions, such as elevation, wind, vent configuration and choice of fuel will affect overall appearance of the fire and heating performance. Performance can also vary with home design and insulation, climate, condition and type of fuel used, appliance location, burn rate, accessories chosen, chimney installation and how the appliance is operated.

Diagrams, illustrations and photographs are not to scale—consult installation instructions. Product designs, materials, dimensions, specifications, colors and prices are subject to change or discontinuance without notice.
