KeepRite® Gas Furnaces. The Right Choice For Winter Warmth.

Keep the comfort coming.

These KeepRite® gas furnaces come with the latest engineering and design features to give you high quality—without the premium price tag.

You can tell from the quiet operation that each unit is solidly built. At the heart of the furnace, the heat exchangers are constructed weld-free to prevent cracking problems and shaped to generate maximum heat. The updated technology helps improve efficiency and savings on fuel bills.

PS95 Gas Furnace

- 95% AFUE
- Advanced RPJ® (Rigid Press Joint) aluminized steel primary and stainless steel secondary heat exchangers capture additional heat generated by your furnace
- Induced draft combustion blower for efficient performance
- Multispeed PSC circulation blower for durability and reliability
- 35" height adds installation flexibility
- 1-pipe or direct vent (2-pipe)
- California low NOx models available for most applications
- 20 year heat exchanger limited warranty
- 10 year parts limited warranty upon timely registration

PS92 Gas Furnace

- 92% AFUE
- Advanced RPJ® (Rigid Press Joint) aluminized steel primary and stainless steel secondary heat exchangers capture additional heat generated by your furnace
- Induced draft combustion blower for efficient performance
- Multispeed PSC circulation blower for durability and reliability
- 35" height adds installation flexibility
- 1-pipe or direct vent (2-pipe)
- California low NOx models available for most applications
- 20 year heat exchanger limited warranty
- 10 year parts limited warranty upon timely registration

We keep our word.

Every KeepRite unit is backed by exceptional warranties.*

Upon timely registration, you get a 10 year parts limited warranty* and a 20 year limited warranty on the heat exchanger.

*Timely registration required for 10 year limited parts warranty. Limited warranty period is 5 years for parts if not registered within 90 days of installation. Jurisdictions where warranty benefits cannot be conditioned on registration will receive the registered limited warranty periods. Please see warranty certificate for further details and restrictions.

Timely registration required. See warranty certificate for details.

Timely registration required. Please see warranty certificate for details.

The best choice for your home.

- Energy ratings up to 95% AFUE[‡] may provide a significant increase in efficiency over older furnaces
- The RPJ[®] (Rigid Press Joint) heat exchanger helps overcome problems such as cracking and leaking; the clamshell form provides better air movement, and the baffled design optimizes heat transfer
- Direct hot surface ignition system features an advanced silicon nitride igniter for greater reliability
- Installation flexibility: Compact multi-position cabinet

[‡]AFUE stands for Annual Fuel Utilization Efficiency.

PS95

Keep warm, keep cool with KeepRite systems.

A completely integrated system of KeepRite heating and cooling products can maximize comfort and efficiency.

- a. Humidifier** enhances comfort by reducing dryness in the air.
- b. Air Cleaner** filters out many indoor air pollutants so the air in your home is cleaner.
- c. Set-Back Thermostat** allows you to customize heating and cooling levels and also save energy.
- d. Furnace** is designed for maximum comfort and efficiency, and built rugged for years of operation.
- e. Air Conditioner** keeps your home cool and comfortable while saving on energy.
- f. Evaporator/Indoor Coil** matches your KeepRite air conditioner and furnace to ensure great performance.
- g. UV Lights** help prevent the growth of microbes on the coils. (Not available on all models.)

The right choice for your home.
