

WEATHERKING

Air Conditioning

14AJM 14.5 SEER Condensing Unit **R-410A**

When you look at these many features, you'll see WeatherKing condensing units deliver quality and value.

- **Cabinet Construction**
The attractive, painted, louvered wrap-around jacket protects the coil from yard hazards and weather extremes.
- **Fan Motor Mount**
The motor mount extends the service life of the fan and motor while reducing sound and vibration. Air is discharged upward away from bushes and shrubs. The discharge pattern of the top grille provides minimum air restriction, resulting in quiet fan operation.
- **Base Pan**
The base pan encourages drainage of condensation while reducing corrosion.
- **Easy Service Access**
All controls are accessible by removing one service panel. Removable top grille provides access to the condenser fan motor, compressor and condenser coil.
- **R-410A Refrigerant**
This condensing unit features earth-friendly R-410A refrigerant.

**Efficiencies up to
16.5 SEER / 14 EER
For Low Cost Cooling
Nominal 1.5 to 5.0 Ton
Cooling Capacities**

Limited Warranty Information

The 14.5 SEER models have a ten-year conditional limited compressor warranty (registration required). All other parts have a five-year limited warranty.
