Dependable, efficient
home cooling

Elite® Series HS29 Air Conditioner

Innovation never felt so good.™

Dependable Copeland Scroll™ Compressor precisely controls air temperature for greater cooling comfort

High cooling efficiency can result in significant energy savings

Simple design with fewer moving parts means higher reliability

ENERGY STAR®-qualified

Want to feel more comfortable without feeling the pinch of high utility bills?

The HS29 air conditioner makes it possible, delivering cooling efficiencies of up to 13.05 SEER.

At the heart of this system is a Copeland Scroll™ Compressor, which operates more efficiently and smoothly than conventional compressors.

The scroll compressor also better regulates temperature within your home, which means a greater capacity to keep you comfortable.

COOL, SOOTHING RELIEF FROM THE HEAT AND HIGH ENERGY BILLS

With its high efficiency ratings and innovative features, the HS29 air conditioner delivers efficient, reliable and affordable comfort. It keeps your costs down and your home comfortable, even during heat extremes. And with its precision-balanced, direct-drive fan, the HS29 is so quiet you'll hardly know it's on.

EFFICIENCY RATING

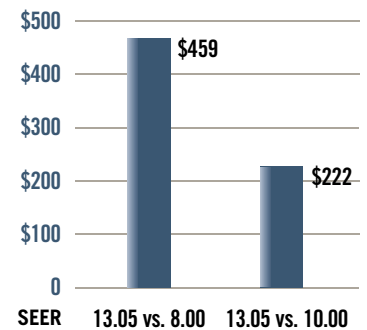

Up to **13.05 SEER** (Seasonal Energy Efficiency Ratio).

WARRANTY

10-year limited warranty on compressor.

5-year limited warranty on all remaining covered components.

3-YEAR COOLING SAVINGS

13.05 SEER HS29 air conditioner, compared to older, less efficient units

This chart compares the 3-year savings you can expect from an HS29 air conditioner vs. units with lower efficiency ratings. Your actual savings will vary depending on the weather, local fuel rates, indoor coil and your lifestyle.

Source: U.S. Department of Energy national average energy rates.

INNOVATIVE FEATURES FOR ENHANCED COMFORT AND EFFICIENCY

Precision-Balanced, Direct-Drive Fan –
Designed to run slower for quieter operation

Dependable Copeland Scroll™ Compressor – Helps precisely control air temperature for greater cooling comfort

High-Efficiency Outdoor Coil –
Provides exceptional heat transfer and low air resistance for high-efficiency operation

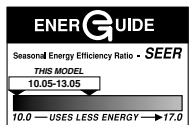

Durable, Corrosion-Resistant Cabinet –
Constructed of heavy-gauge, galvanized steel and protected by a baked-on finish

Enhanced Coil Guard –
Assures long-lasting coil protection with heavy-gauge steel construction and non-corrosive PVC coating

Note: Due to Lennox' ongoing commitment to quality, all specifications, ratings and dimensions are subject to change without notice. Warranties noted apply to residential applications only and are limited. Please see actual warranty for details.

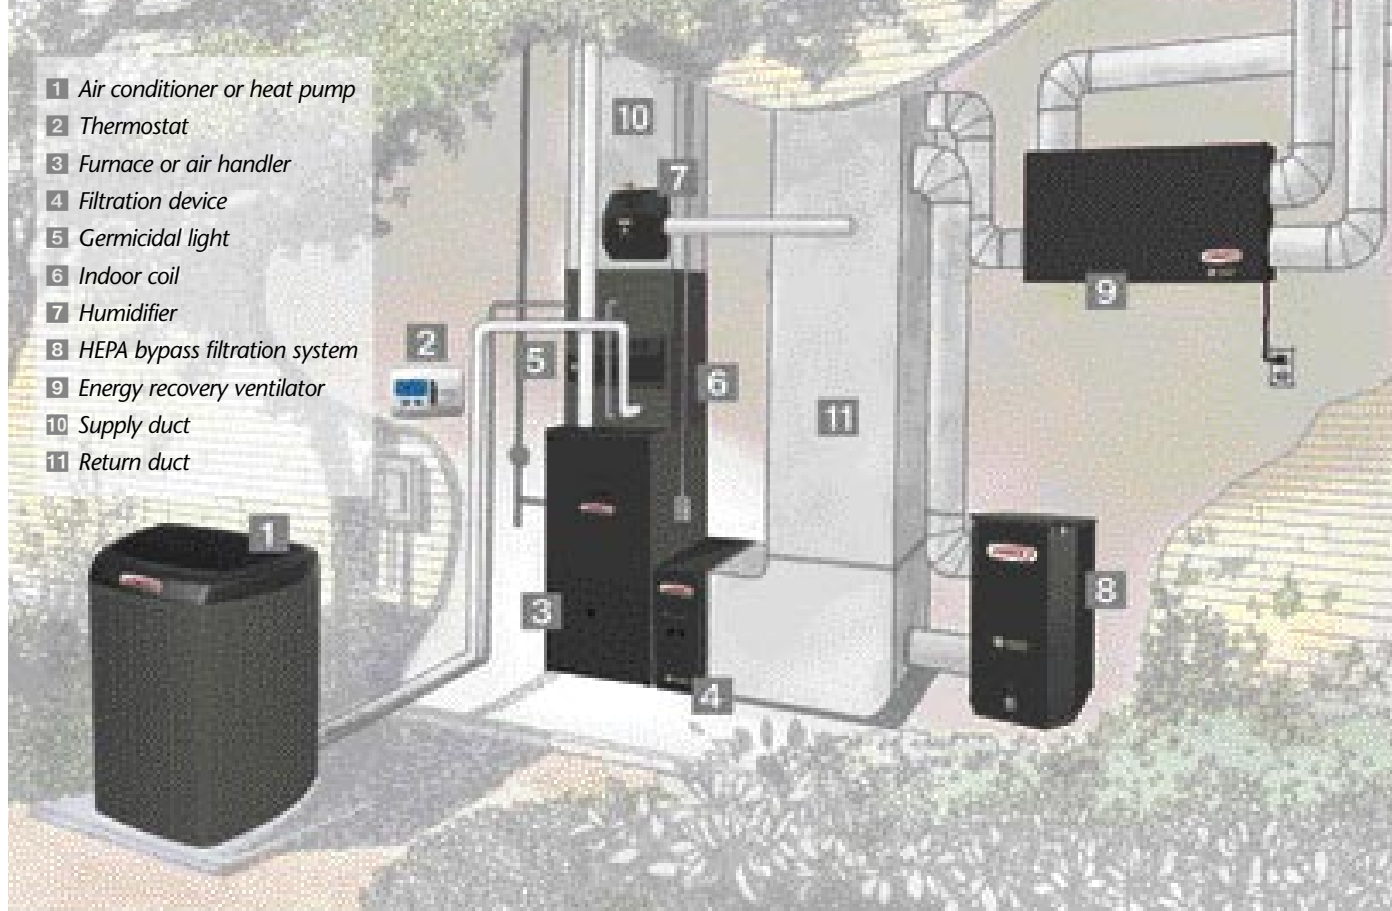

Many Lennox® home comfort systems meet ENERGY STAR® requirements when used with appropriate components. Ask your dealer for details.

Lennox is proud of the fact that these products have earned the Good Housekeeping Seal.

Certification applies only when used with proper components as listed with ARI

CONTINUOUS COMFORT NETWORK

Lennox® heating, cooling and indoor air quality products are designed to provide efficient, economical comfort—not only as individual units, but also together as an integrated system. This combined network of products delivers on every comfort count, from consistent temperatures and balanced humidity to improved indoor air quality.

DEALERS YOU CAN COUNT ON

Choosing the right dealer for your heating, cooling and indoor air quality needs is every bit as important as choosing the right brand. We think you'll agree our dealers are a big reason you can count on quality customer service when you call.
