

10CHP Packaged Heat Pump ♦ 10.00 SEER and up to 7.20 HSPF

LENNOX

INNOVATION NEVER FELT SO GOOD.™

## LENNOX MERIT® SERIES

Home Comfort Systems

### 10CHP

Reliable, all-season comfort  
in one compact unit

# Merit® Series 10CHP Packaged Heat Pump

Innovation never felt so good.™

Dependable Copeland Scroll™ Compressor or reciprocating compressor and other quality components provide efficient, reliable comfort

Efficient operation can result in significant energy savings

Self-contained, convertible-airflow design allows flexible installation almost anywhere outside the home

The 10CHP packaged heat pump combines economical, reliable comfort and impressive performance in one compact, self-contained system. That means you can count on the 10CHP to perform well and look good—season after season, year after year.

## RELIABLE, ALL-SEASON COMFORT IN ONE COMPACT UNIT

Unlike traditional heat pumps, the 10CHP integrates all heating and cooling components into one outdoor unit. Ideal for regions with hot summers and mild winter climates, this single-cabinet unit eliminates the need for a separate furnace indoors.

### EFFICIENCY RATING

**10.00 SEER** (Seasonal Energy Efficiency Ratio) and up to **7.20 HSPF** (Heating Season Performance Factor).

### WARRANTY\*

10-year limited warranty on the heat exchanger.

5-year limited warranty on the compressor and remaining covered components.

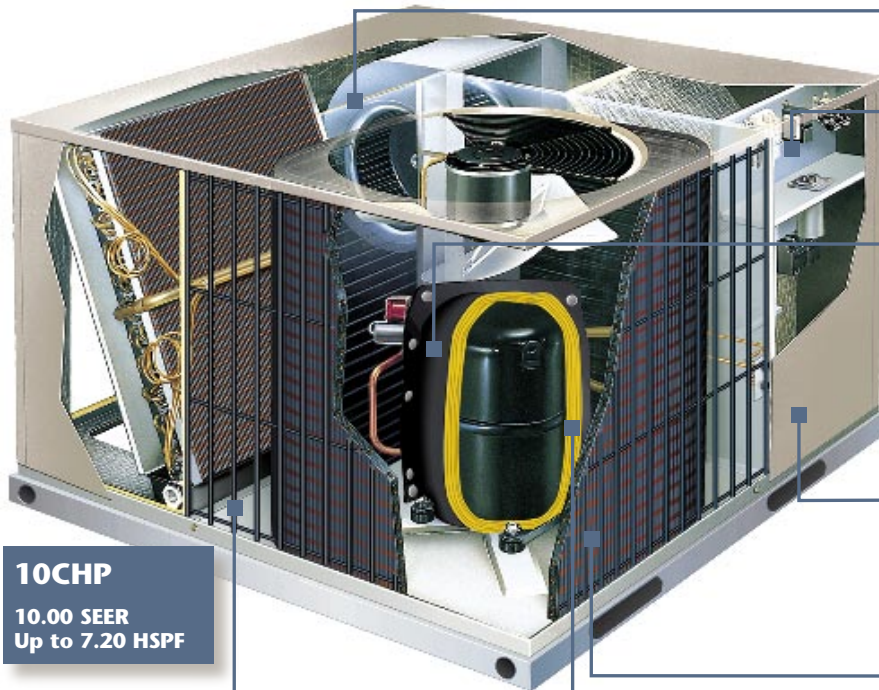

**Efficient** Designed to deliver more comfort for your energy dollar.

Compared to older units, the 10CHP can go a long way toward reducing your utility bills.

**Reliable** Built to exacting Lennox standards.

From the dependable Copeland Scroll™ Compressor to the durable steel cabinet, the 10CHP is built to deliver long-lasting reliability.

## TOP-QUALITY FEATURES FOR LASTING COMFORT, EFFICIENCY AND RELIABILITY

**Dynamically Balanced Blower** – Ensures smooth, quiet performance.

**Electronically Controlled Blower** – Uses solid-state technology for an extra measure of reliability.

**Dependable Copeland Scroll™ Compressor** – Helps precisely control air temperatures and humidity levels for greater comfort and efficiency (Models 10CHP048 and 10CHP060).

**Durable, Corrosion-Resistant Cabinet** – Constructed of heavy-gauge galvanized steel and protected by a baked-on finish.

**Efficient Condenser** – Provides exceptional heat transfer and low air resistance for high-efficiency operation.

**Insulated Compressor** – Further reduces operating sound.

**Enhanced Coil Guard** – Provides long-lasting coil protection.

**10CHP**  
10.00 SEER  
Up to 7.20 HSPF
