Innovation never felt so good.™

Elite® Series O25 Oil Furnace

Efficient operation can result in significant energy savings

Quality components ensure long-lasting reliability

Simple, durable design allows easy maintenance and serviceability

Compact size fits easily in almost any closet, crawlspace or basement, leaving plenty of room for add-on air conditioning coil

The Elite® Series O25 oil furnace offers a clean, quiet and economical way to keep your home warm and comfortable. High-quality components like the Riello burner reliably deliver heat to every room—year after year, with little maintenance required.

CLEAN, QUIET AND COMFORTABLE HEATING, WITH EASY MAINTENANCE

Built to exacting standards, the O25 furnace not only keeps you cozy and comfortable—it also keeps your energy costs at a minimum. With efficiency ratings of up to 84%, the O25 produces more heat per fuel dollar, which means you'll stay warm for less.

Efficient Can save you money each year on your utility bills

The O25 furnace is designed to deliver lasting value and energy savings. With heating efficiencies of up to 84% AFUE, the O25 can drastically reduce your energy costs, compared to older furnaces.

EFFICIENCY RATING

Up to 84% AFUE (Annual Fuel Utilization Efficiency).

WARRANTY*

Limited lifetime warranty on the heat exchanger.

5-year limited warranty on all remaining covered components.

*Applies to residential applications only. See actual warranty certificate for details.

3-YEAR HEATING SAVINGS

This chart depicts potential energy savings you can expect from the O25 furnace versus older furnaces with lower efficiency ratings. Criteria used in this example are 2,000 full-load heating hours, with a 80,000-Btuh heating design load and \$1.90 per gallon for oil. Your actual savings will vary depending on the weather, local fuel rates and your lifestyle.

INNOVATIVE FEATURES FOR ENHANCED COMFORT AND EFFICIENCY

Heat Exchanger –

Constructed of heavy-gauge steel for maximum product life.

Innovative Combustion Chamber –

Constructed from alumina-silica ceramic fiber, provides quiet operation and high efficiency.

Riello Burner –

Delivers super-efficient combustion for greater fuel economy. A high-quality burner with special attention to sound reduction.

Blower Motor –

Multi-speed, direct-drive system that is statically and dynamically balanced.

Insulated Blower Compartment –

Minimizes operating sounds.

Durable, Insulated Steel Cabinet –

Built to last and coated with a high-quality paint finish.

Quality you can trust.
Designed with reliable, time-tested components.

CUSTOMIZE YOUR COMFORT

Lennox® heating, cooling and Healthy Climate® indoor air quality products are designed to provide efficient, economical comfort—not only as individual units, but also together as an integrated system. This combined network of products delivers on every comfort count, from consistent temperatures and balanced humidity to improved indoor air quality.

DEALERS YOU CAN COUNT ON

Choosing the right dealer for your home's heating, cooling and air quality needs is every bit as important as choosing the right brand. We think you'll agree our independent dealers are a big reason you can count on quality customer service whenever you call. Your Lennox dealer's dedication to quality shows in his knowledge, training and expertise in designing the right system for your home, installing it properly and keeping it running perfectly for many years to come.
