Sold Exclusively To Plumbing Professionals

The Heart of Wolverine Brass Faucets

Ceramic Disc Cartridges

3 Cartridges for all Faucets

TWO HANDLE SHORT #53571

Fits: all two handle kitchen, 4" lavatory, bar, laundry, tub/shower and commercial wall mount faucets

- Washerless cartridge incorporating two polished ceramic discs that are very durable
- Cartridge body is constructed of fiberglass filled Noryl which is indestructible and corrosion free
- Precise water flow is achieved with only quarter-turn from full on to full off

TWO HANDLE LONG #53572

Fits: all widespread, mini-widespread, roman tub and three handle tub/shower fixtures

- Washerless cartridge incorporating two polished ceramic discs that are very durable
- Cartridge body is constructed of fiberglass filled Noryl which is indestructible and corrosion free
- Precise water flow is achieved with only quarter-turn from full on to full off

ALL SINGLE LEVER #85107

Fits: all single handle kitchen, lavatory and tub/shower fixtures

- Integrated hot limit adjustment stop
- Smooth turning, single handle cartridge
- Incorporates polished ceramic discs
- Easy one way installation
- Two alignment posts makes it impossible to install incorrectly

We're so confident that we have the best ceramic disc cartridges in the industry that we offer every faucet with a full 100 year drip-free cartridge warranty.
