

Dear Rinnai Customer:

Thank you for purchasing a Rinnai tankless hot water heater. As you already know, Rinnai tankless hot water heaters are designed to support your life style while being energy efficient at the same time. In fact, I hope that you will realize savings over time in the operation of your tankless heater versus your previous unit. Further, we are pleased to certify to you that this unit(s) will help reduce your taxes by making you eligible for a tax credit based on the purchase price of your unit.

Certification Statement

Rinnai warrants that the below model number natural gas or propane hot water heater(s) has/have been proven to have an Energy Factor of .8 or above which means that it is Qualified Energy Property under the Energy Policy Act of 2005 and therefore eligible for a tax credit under section 25C.

Under penalties of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.

At Rinnai the customer is our highest priority. If you need any assistance, please visit our website at www.foreverhotwater.com for information about your water heater. For more information about the tax credit, please visit www.tanklesstaxcredit.com or consult your tax professional.

We hope you enjoy your Rinnai hot water heater, if you need any other heating products in the future, please visit us at www.Rinnai.us.

Sincerely,

Sam Lamia
Vice President Finance/ Operations
