

14 SEER

14 SEER Air Conditioners and Heat Pumps
R410a

Your choice for quiet,
reliable comfort and
improved efficiency.

A higher degree of quiet, efficient comfort.

414LE

From the inside out, Armstrong Air™ air conditioners and heat pumps are designed for dependability, quiet operation and up-to-date style. ENERGY STAR® qualified and using environmentally friendly R410a refrigerant, these units meet stringent energy-efficiency guidelines. You gain a distinct comfort advantage, knowing every unit is built for years of worry-free performance.

- R410a refrigerant
- Air Conditioners – Up to 15 SEER*
- ENERGY STAR qualified for 14 and 15 SEER matches
- Heat Pumps – Up to 15 SEER; up to 8.5 HSPF**
- 10-year limited warranty – compressor***
- 10-year limited warranty – parts***

Designed with quality and style.

You can count on Armstrong Air 414LE air conditioners and heat pumps for years of dependable comfort. Our top-of-the-line compressors are engineered for maximum durability, while a **built-in filter dryer** helps protect the system from possible indoor contaminants. Matched indoor components include **Microban®-protected drain pans** which inhibit the growth of odor-causing mold, mildew and bacteria and improve indoor air quality. The **platinum gray cabinet**, with **horizontal louvers** and **appliance-like seams and contours**, provides an attractive appearance designed to complement every home.

Unit Dimensions

Model Number	Width (Inches)	Depth (Inches)	Height (Inches)
Air Conditioners			
4SCU14LE118	24-3/4	26-3/4	29-3/4
4SCU14LE124	24-3/4	26-3/4	29-3/4
4SCU14LE130	29-3/8	31-1/4	29-3/4
4SCU14LE136	29-3/8	31-1/4	29-3/4
4SCU14LE142	29-3/8	31-1/4	29-3/4
4SCU14LE148	29-3/8	31-1/4	37-3/4
4SCU14LE160	35-3/4	37-3/4	37-3/4
Heat Pumps			
4SHP14LE118	24-3/4	26-3/4	29-3/4
4SHP14LE124	24-3/4	26-3/4	29-3/4
4SHP14LE130	24-3/4	26-3/4	33-3/4
4SHP14LE136	29-3/8	31-1/4	37-3/4
4SHP14LE142	35-3/4	37-3/4	37-3/4
4SHP14LE148	35-3/4	37-3/4	37-3/4
4SHP14LE160	35-3/4	37-3/4	43-3/4

Higher efficiency means lower utility costs.

Compared with older, less-efficient equipment, these air conditioners and heat pumps can help **reduce your energy costs.**† And with an efficiency rating of up to 15 SEER,* these units help **lower your monthly utility bills.**

Creating comfort you can feel, not hear.

Our air conditioners and heat pumps are designed to provide maximum comfort while keeping noise at a minimum. A heavy-duty **insulation blanket** surrounding the compressor and the wire-fan discharge keep fan noise to a minimum and direct air away from your home and landscaping. Heat pumps use **QuietShift™ technology** to control noise when the unit is in the typically noisy defrost cycle.

*SEER – Seasonal Energy Efficiency Ratio

**HSPF – Heating Seasonal Performance Factor

†Potential savings may vary depending on personal lifestyle, system settings, equipment maintenance, local climate, actual construction, installation of equipment and duct system, hours of operation and local utility rates.

***Warranty provides for a total of 10 years of limited warranty coverage (standard 5-year limited parts warranty, plus an additional 5-year limited extended parts warranty). Warranty must be registered online within 60 days of installation to qualify for 10-year coverage. Unregistered equipment defaults to 5-year coverage. See full warranty at www.alliedair.com for terms, conditions and exclusions.

Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners must be matched with appropriate coil components to meet ENERGY STAR criteria. Ask your contractor for details or visit www.energystar.gov.

Due to our policy of continuous improvement, specifications are subject to change without notice.
