AIR CONDITIONERS

CHOOSING A GREAT AIR CONDITIONER
HAS NEVER BEEN THIS EASY.

THE COOLING CHOICE YOU DON'T EVEN NEED TO THINK ABOUT.

Selecting a dependable air conditioner shouldn't require a degree in cooling mechanics. When you choose Ducane™, you know you're making the right choice, because we've already done the work for you. Every air conditioner we make is designed well and tested for proper operation before leaving the factory. So you can have the immediate comfort of worry-free and energy-efficient performance.

SOME DECISIONS ARE TOUGH. THIS ONE ISN'T.

When you consider Ducane systems, quality and value are givens. You're getting peace of mind with great features and smart designs that squeeze more efficiency out of every energy dollar. And best of all, you get it right now.

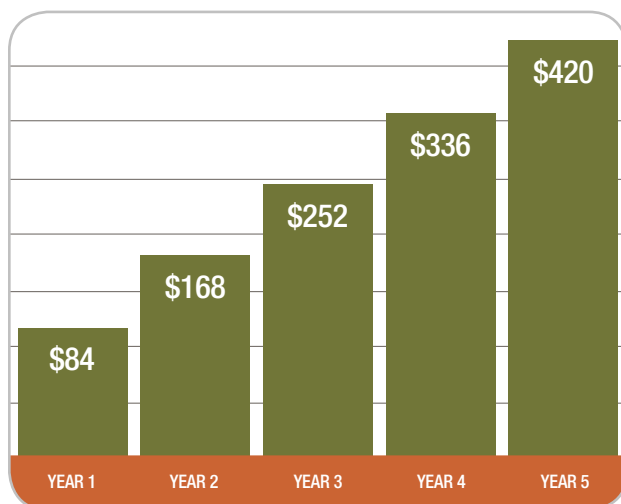

Relax with comfort that lasts through one hot spell after another.

Ducane air conditioners are built to last, crafted from components that are specially selected for quality and durability. Furthermore, every Ducane unit is hooked up and operated under close inspection to make sure it works perfectly before leaving the factory. Choose Ducane, and you're making a lasting choice.

A more efficient air conditioner means more energy savings.

The Seasonal Energy Efficiency Ratio (SEER), is the standard measure of an air conditioner's operating efficiency. A higher SEER indicates better performance and increased energy savings. And at 14 SEER, the Ducane 4AC14 air conditioner meets ENERGY STAR® guidelines, delivering money- and energy-saving performance.

Over the years, a hardworking Ducane air conditioner can save you hundreds of dollars on utility bills.

U.S. Average Five-Year Electric Cumulative Energy Savings for High-Efficiency 14 SEER Air Conditioners vs. 10 SEER. Energy Efficiency and renewable Energy Network, U.S. Department of Energy. The U.S. national average is used for electricity consumption. Actual cost savings may vary depending on personal lifestyle, system settings, equipment maintenance, local climate, actual construction, installation of equipment and duct system, hours of operation and local utility rates. This information is intended as an example for comparison purposes only.

Made for those who think air conditioning should be felt and not heard.

The Ducane 4AC14 features a quiet scroll compressor that provides efficient cooling and helps minimize operating noise. So you can enjoy peace and quiet whether you're entertaining or merely relaxing on the porch.

THE FULL-FEATURED DUCANE™ 4AC14 IS THE RIGHT CHOICE, RIGHT NOW.

- 14 SEER exceeds ENERGY STAR® guidelines and can provide significant energy savings, even during the hottest summer months
- 10-year limited warranty on the compressor and parts* means lasting peace of mind
- Entire unit is 100% factory run-tested to help deliver the highest possible level of reliability
- Permanently lubricated condenser fan motor needs no annual maintenance
- Heavy-duty, single-stage scroll compressor is built tough, for years of reliable, trouble-free performance

**Applies to residential applications only. For terms, conditions and exclusions, see full warranty at alliedair.com.*

MAKE THE DUCANE DECISION YOU WON'T REGRET.

When you think about everything Ducane delivers, your decision is no decision at all. Choose the air conditioner you can depend on. The performance and reliability you want are right here, and ready to go to work.

Ducane. It's the right choice. Right now.
