Comfort Control System™

Model RAPL-JEZ Model RANL-JEZ

- Features on-board system diagnostics
- Up to 16.00 SEER in certain matched systems
- Active compressor protection
- Broad range of cooling capacities from
 - 17,700 to 59,500 BTU/HR (RAPL)
 - 22,800 to 62,000 BTU/HR (RANL)
- A 10-year limited warranty on the scroll compressor, and a 5-Year limited warranty on all other parts

- **On-Board Diagnostics** - The Rheem exclusive 7-Segment LED Display on the control board quickly and accurately shows your contractor the source of system malfunctions. This feature aids the contractor in servicing or repairing your unit, saving you time and money.
- **Fault Recall** - Even if there is a power failure, this feature will retain the system's "operation history" and will display it on the control board for quick and easy viewing during service calls.
- **Active Protection** - The feature monitors your system to prevent the compressor from operating when potentially harmful conditions are detected.
- **Increased Dependability** - The thermostat communication capability can alert you to any necessary service requirements, giving you peace of mind that your home comfort is guaranteed.

Heart & Scroll

The heart of your condensing unit is the compressor. That's why every Rheem unit features a Scroll® Compressor –widely recognized as the industry leader for performance and durability.

Humidity Control

When matched with a *Prestige® Series* Air Handler, the system adjusts airflow to help control humidity for unsurpassed comfort in the cooling mode.

Durable Cabinet

Our galvanized steel cabinet protects your Rheem unit from the elements, helping reduce maintenance expense.

Low Corrosion and Sound

A special base pan elevates the unit off the pad and away from corrosive condensation. More quiet performance and lower vibration levels also result.

Fan-tastic

Our motor mount prevents damage to your fan motor, extending its service life. For quiet operation and improved efficiency.

Take a look inside...

Features and Benefits:

Comfort Control System™

The Comfort Control System provides:

Limited Warranty Information

Rheem supports its equipment with strong warranties and dependable, professional service. That's why Rheem backs the *Prestige Series* 14-SEER RAPL- JEZ and 13-SEER RANL- JEZ Condensing Units with a generous 10-year limited compressor warranty, and a 5-year limited warranty on all other parts. In addition, a 5-year conditional unit replacement warranty is provided. See the Rheem *Prestige Series* Warranty Card for complete details.

Protection You Can Count On

While your Rheem equipment is incredibly dependable and covered by an outstanding warranty, you can extend your warranty coverage with Protection Plus® extended service protection. Then you can relax and enjoy the comfort of your Rheem Condensing Unit – without worrying about the cost of parts or labor for unexpected repairs. Ask your dealer about the variety of Protection Plus plans now available.

For more information, call 1-877-276-4294 or visit www.protectionplusonline.com.

KwikComfort Financing

Ask your Rheem dealer about *KwikComfort® Financing*, the easy and convenient way to **KWIK COMFORT FINANCING** finance everything associated with your Rheem equipment – your original equipment, all subsequent service, Protection Plus® extended service protection, and even the comfort options you might choose to add later.
